

Library Magazine Shelf Instructions

81.MG13L-INST
Rev. A

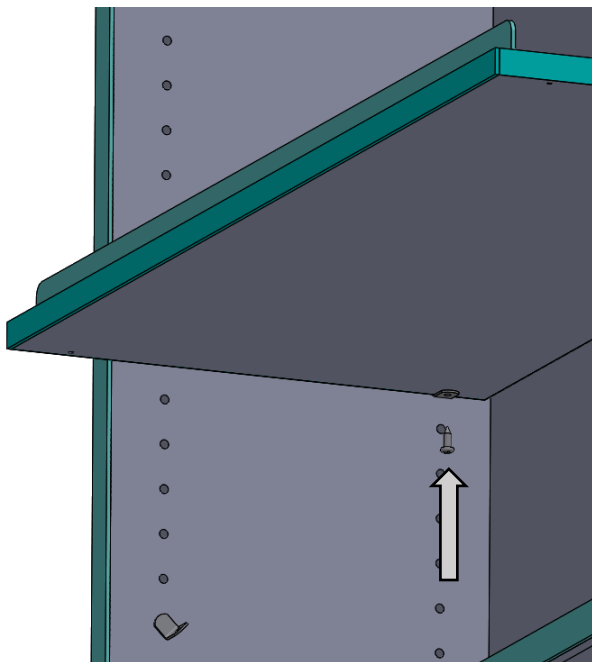

- 1.** Insert (2) shelf clips into the rear set of holes on the library end/intermediate panels.

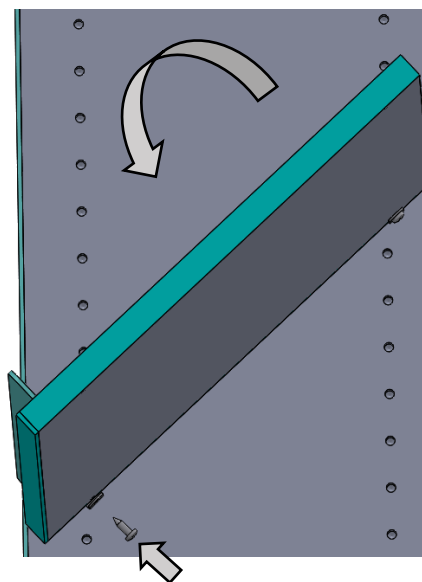

- 2.** Insert (2) shelf clips into the front set of holes on the library end/intermediate panels, six holes lower than the rear shelf clips.

- 3.** Set the shelf onto the rear shelf clips and attach with (2) #10 X 5/8 screws.

- 4.** Tilt the shelf down until it rests on the front shelf clips and attach with (2) #10 X 5/8 screws. *Note: To change the fixed magazine shelf into a flip up shelf, do not use the front shelf screws.*
