

## DIRECTIONS FOR INSTALLING GLASS END PANELS & GLASS DOORS INTO TROPHY CASE

TOOLS NEEDED: HAMMER

IMPORTANT: GLASS FOR EACH TROPHY CASE IS CAREFULLY FITTED AT THE FACTORY. WHEN THERE IS MORE THAN ONE TROPHY CASE ON THE ORDER, EACH CRATE OF GLASS IS MARKED FOR THE TROPHY CASE IT BELONGS TO.

### STEP 1

REMOVE THE GLASS FROM THE SHIPPING CRATE AND STAND THE PIECES AGAINST THE WALL. (*HANDLE WITH CARE*)

### STEP 2

LOCATE THE GLASS END PANELS. (2 PCS. 1/4 X 15 15/16 X 49 15/16) AND 2 NYLON BUTTONS

### STEP 3

INSTALL GLASS END PANELS IN CASE. THIS IS DONE BY SLIPPING THE TOP EDGE OF THE GLASS END INTO THE GROOVE IN THE UPPER END PANEL. ONCE THE GLASS IS IN THE GROOVE, PUSH THE GLASS END PANEL AS FAR AS IT WILL GO. POSITION YOUR HANDS SO BOTH HANDS ARE ON THE BOTTOM EDGE OF THE GLASS PANEL. TRANSFER THE GLASS PANEL FROM YOUR HANDS TO THE TOP EDGE OF THE LOWER END PANEL. (*CAUTION: BE CAREFUL THE GLASS PANEL DOES NOT SLIP OUT OF YOUR HANDS WHEN TRANSFERING THE GLASS PANEL FROM YOUR HANDS TO THE TOP EDGE OF THE LOWER END PANEL.*) ONCE THE GLASS END PANEL IS ON THE EDGE, PUSH THE PANEL AGAINST THE BOTTOM. THIS WILL LET THE PANEL SET PROPERLY IN THE BOTTOM GROOVE. WITH THE GLASS END PANEL SEATED, TAKE ONE NYLON BUTTON AND PUSH IT INTO THE 3/16" DIAMETER HOLE LOCATED INSIDE THE CABINET IN THE UPPER END PANEL. REPEAT THIS STEP WHEN INSTALLING THE OTHER GLASS END PANEL.

### STEP 4

INSTALL SHELF STANDARDS IN DESIRED LOCATION. USE A HAMMER TO SET THE STANDARDS PROPERLY. *NOTE:* HALF WIDTH SHELVES USE THREE STANDARDS PER SHELF. GLASS SHELVES LAY ON THE STANDARDS.

### STEP 5

INSTALL THE SLIDING GLASS DOORS BY PUTTING THE RIGHT DOOR IN FIRST. *NOTE:* THE RIGHT DOOR HAS THE HANDLE ON THE RIGHT EDGE WHEN FACING YOU. THE RIGHT DOOR MUST BE PUT INTO THE UPPER REAR TRACK ON THE LEFT SIDE OF THE CABINET, THEN THE BOTTOM OF THE DOOR IS PUT ON THE REAR BOTTOM RIB. (MAKE SURE THE TWO WHEELS ARE RIDING ON THE RIB PROPERLY). REPEAT THIS STEP ON THE LEFT DOOR EXCEPT THIS DOOR GOES INTO THE FRONT TRACK ON THE RIGHT SIDE. THIS IS THE POSITION THE DOORS SHOULD BE WHEN CLOSED.

### STEP 6

INSTALL THE LOCK ON THE SLIDING GLASS DOORS. ONCE THIS IS DONE THE TROPHY CASE SHOULD BE COMPLETE.
