

PRESENTATION CART SPECIFICATION

Presentation carts are refined, and versatile mobile carts designed for universal application. Featuring particleboard construction with magnetic pegboard or solid metal backs, the carts provide flexible storage space and presentation amenities. Like other Fleetwood products, all units are Michigan-made with no exposed visible edges. Units ship fully assembled for quick installation and are backed with our limited lifetime warranty.

Types of storage units:

- Presentation carts

Standard features:

- .75" thick 45lb. density particleboard substrate with a balanced construction of color-matched, thermally fused laminate (TFL) on both sides of all horizontal and vertical outer and internal panels and shelves, except bottom panels. Bottom panels constructed of 1" thick 45lb particleboard. Permanently attached 1mm color-matched or coordinating PVC edge band with ergonomic 1/8" radiused top edge bonded with hot-melt adhesive and trimmed flush on top, bottom, and sides of all visible portions of cabinets to create pry-proof edges and structural integrity.
- Particleboard worksurfaces (44" high and below) have 1" thick 45lb. density particleboard substrate and feature balanced construction with high pressure laminate (HPL) on top and .028" cabinet liner backer on bottom of worksurface. In addition to standard HPL, markerboard HPL or custom HPLs are available. Permanently attached 3mm color-matched or coordinating PVC edge band with ergonomic 1/8" radiused top edge bonded with hot-melt adhesive and trimmed flush on top, bottom, and sides of all visible portions of cabinets to create pry-proof edges and structural integrity.
- Pegboard or solid magnetic steel 18-gauge backs on storage to support hanging and posting of materials in classrooms
- Chrome metal L-bracket and screw butt-joint construction with screws contained to inside of unit. #10 sized screws utilized. Structural 1"x1" steel angle integrated to control deflection as needed on tops and shelving.
- Plate-mounted 75mm diameter casters with twin-wheel swivel with non-marking thermoplastic elastomer tread for quiet use on hard or carpeted flooring. Nylon casters tested to hold 225 pounds and roll over uneven surfaces. All casters equipped with a brake. Cabinets secured to plate-mounted casters with 5/16-1" Hex head log bolts.
- .75" thick particleboard shelving secured with metal screws so shelving cannot be accidentally dislodged
- Shelf placement holes on 32mm increments to allow for shelf repositioning in field
- 1.5" diameter cable passthrough at back of presentation carts
- Gratnells-brand insertable tray storage units with interchangeable, durable plastic trays in 3", 6" and 12" heights and are 12-1/2" wide and 17" deep. Tray color is translucent. When not in unit, trays may be nested or stacked.
- Hinges are European style with 125-degree swing and soft close feature
- Doors are non-locking
- Door pulls are ADA compliant arch-shaped pulls that are 128mm on center, 148mm in length with 30mm projection. Optional pull, Metro or Urban, is 128mm on center, 138mm in length with 25mm projection.

- 100% factory-assembled storage. Units can be rolled into place with no assembly required in field for quick and easy installation.

Optional features:

- Plastic tray combination options (3", 6" and 12" high) on all units with tray storage. Tray lids available.
- Minitap Power with 2 outlets and 120" cord. Factory installed.

Surface materials palette:

- Thermally Fused Laminate (TFL) available in woodgrains, solids, or patterns. 41 standard colors with coordinating edgeband colors.
- High Pressure Laminate (HPL) available in wood grain, patterned, or solid color palette. 42 standard options with coordinating edgeband colors. Wilsonart laminates also available as a graded-in custom material.
- Arch-shaped pull available in chrome. 4 paint colors for Metro or Urban pull.
- Pegboard back available in 4 paint colors. White Markerboard paint available on solid steel back.
- Custom TFL and HPL (worksurfaces only) through specials request process with coordinating 3mm vinyl edgeband.
- Buying relationships established with Wilsonart, Formica, Nevamar, Pionite/Panolam, and other suppliers.

Overall:

- Cloth blanket wrapped and cartoned packaging options available. If cartoned, skids are made from recycled materials.

Warranty highlights:

- Fleetwood brand products carry a limited lifetime warranty, where products are warranted to be free of defects in materials and workmanship for the life of the product.
- Normal wear-and-tear is not covered under the warranty. Unauthorized alterations, improper maintenance, or abuse nulls warranty.
- Fleetwood will repair or replace free-of-charge any component that fails under normal use or provide refund or credit.
- Laminates, casters, levelers, and flip-and-nest mechanisms have a 12-year warranty.
- Some products have limited life coverage of 3 or 5 years. See full warranty statement for details.
- Consumables, natural variations in product, and select non-standard products not covered under limited lifetime warranty.
- See full warranty statement for details.
