

BENCH SPECIFICATION

Standard features:

- Seat with metal frame understructure feature High pressure laminate (HPL) feature 1" thick 45lb. particleboard substrate with a balanced construction of HPL on top and .5mm cabinet liner backer on bottom of worksurface
- All particleboard surfaces or edges are sealed with glue to create moisture barrier
- Permanently attached 3mm color-matched or coordinating PVC edge band with ergonomic 1/8" radiused top edge bonded with hot-melt adhesive and trimmed flush on top and bottom to create pry-proof edge
- Seat surface with square corners have 3mm radius on vertical edge.
- Seats feature pilot holes in all screw locations for easy installation

Fixed 4-leg table and bench with unitized frame:

- Fixed legs available in 1) round leg version with 1-1/2" 14-gauge steel radius tubing or 2) square leg version with 1-1/2" 16-gauge square steel tubing with a butt-welded assembly for multiple design statements
- Under-seat frame creates a strong understructure that withstands long-term classroom abuse and misuse
- Under-seat frame supports easy seat changeout that more than doubles the life of a customer's purchase
- Leg assemblies are fully assembled in factory for quick installation
- Leg frame assemblies attach to seat with 10x2" Phillips panhead metal screws that facilitate easy installation, and prove both snag-proof and tamper-resistant to students
- Fixed 29" high tables have no additional crossbars on frames
- Levelers on all four legs.
 - Threaded-stem leveler made of glass-filled black nylon 2" diameter base and 3/8x16 stainless steel screw glide with hexagon adjuster for up to 1.5" of vertical adjustment
- Electrostatically applied power-coat paint

Optional accessories:

- Accessory hook - made with 10-gauge steel with rounded ergonomic corners. Field installed with one #12x.625" self-drilling screw to underside of worksurface steel frame. Electrostatically applied power-coat paint

Surface materials palette:

- High Pressure Laminate (HPL) available in wood grain, patterned, or solid color palette. 31 standard options with coordinating edgeband colors. Markerboard high pressure laminate (HPL), available in white. Wilsonart laminates also available as a graded-in custom material.
- Custom HPL (seat only) through specials request process with coordinating 3mm vinyl edgeband.

- 4 standard paint colors

Custom features:

- Seat options available:
 - Custom seat sizes
- Frame options available:
 - Custom frame color
 - Custom frame height

Overall:

- Bench ships unassembled from the factory. Carton packaging skids are made from recycled materials.

Warranty highlights:

- Fleetwood brand products carry a limited lifetime warranty, where products are warranted to be free of defects in materials and workmanship for the life of the product.
- Normal wear-and-tear is not covered under the warranty. Unauthorized alterations, improper maintenance, or abuse nulls warranty.
- Fleetwood will repair or replace free-of-charge any component that fails under normal use or provide refund or credit.
- Laminates, casters, levelers, and flip-and-nest mechanisms have a 12-year warranty.
- Some products have limited life coverage of 3 or 5 years. See full warranty statement for details.
- Consumables, natural variations in product, and select non-standard products not covered under limited lifetime warranty.
- See full warranty statement for details.
